## UPDATES <<<

### ➤➤➤ ILAP MEETINGS AT SCHOOLS

#### ILAP stands for Individual Language Acquisition Plan

Students who are learning English as a second language in schools receive extra supports through a plan called ILAP. These students take an exam every year called ACCESS to evaluate their reading, writing, listening and speaking in English. They usually get the results of this evaluation around May. Some families are already having their ILAP meetings to discuss how to best support their students with their English. Once a student receives a 4.5 or above in their ACCESS test, they no longer qualify to receive services.
