Technology Series: Break Up with Google - Drive & Docs, Maps, & More

12:00pm - 1:00pm @ Bangor Public Library
In everything from cloud storage to document collaboration to maps, Google dominates the market. In this final session, we will discuss alternatives such as Libre Office for free desktop software, Proton's document-editing suite, Cryptpad, OrganicMaps, and more, and try to land on the best tools for each participant's needs. More info and registration [here](#).
