UNITED STATES' 250TH BIRTHDAY <<<

A time to celebrate and remember

This month of July, the United States will celebrate its 250th birthday, marking 250 years since the adoption of the Declaration of Independence on July 4, 1776. Communities across the country will commemorate this historic milestone with events, reflections, and celebrations of the nation's history, diversity, and shared future. As we approach this anniversary, it is an opportunity to honor the many people and cultures who have helped shape the United States over the past two and a half centuries. Locally, the Bangor Historical Society has opened an special exhibit to commemorate this event. The exhibit is open Tuesday through Saturday from 10 a.m. to 4 p.m.
