

WEEKLY BULLETIN

September 6 - September 12

ANNOUNCEMENTS

WE NEED VOLUNTEERS! <<<

If you or someone you know is interested in volunteering with MMCC, you can reach out at info@mainemulticulturalcenter.org or at (207) 307-7154

>>> QUESTIONS?

Questions about something on the Weekly Bulletin?
Feel free to reach out!

UPDATES <<<

>>> LABOR DAY

Monday, September 7th is a holiday

Next Monday, September 7th is Labor Day. Government offices, schools and some business will be closed. Enjoy the long weekend!

ILAP MEETINGS AT SCHOOLS <<<

With the new year, some schools are starting to schedule Individual Language Acquisition Plan (ILAP) meetings to discuss progress and how to best serve multilingual students in the area. Please, help your families understand that these are important meetings to make sure that children receive the support they need to succeed in school.

EVENTS

>>> WEDNESDAY, SEPTEMBER 9TH

Tech Tutoring

2:00pm - 5:00pm @ Bangor Public Library
Hannah Cyrus, BPL's Digital Media Librarian, is available for 60-minute appointments to help you with your computer questions in-person, by phone, or over Zoom. Want to organize your emails? Having trouble using a particular website or program? Wondering why that annoying message keeps popping up on your screen? Whatever your question, Hannah will work with you to find an answer and help you to solve your problems. More info here:
<https://bangorpubliclibrary.libcal.com/event/17201545>

WEDNESDAY, SEPTEMBER 9TH <<<

Resource Fair

9:00am - 12:00pm @ Bangor Public Library

There will be free food and information about community resources available to those in the Bangor area, as well as raffle prizes. Do you need help finding a good job or paying your bills? Do you have questions about public benefits or unemployment? Join us to learn more and have your questions answered. All are welcome.

>>> WEDNESDAY, SEPTEMBER 9TH

Workshop: Intro to Computers & the Internet

2:00pm - 4:00pm @ Bangor Public Library

Are you new to computers and the internet? Learn about different types of computers and how they work, and get familiar with the basics of using the internet to search for and access information. This class is appropriate even if you have never used a computer before, or if you know a little but would like to learn more. The class covers computers using Windows, Mac, or Chrome operating systems. Register here:
