UPDATES

COATS AT THE OFFICE

Get ready for the colder weather

As the weather gets colder, MMCC has coats, sweaters, scarves, and other warm outdoor clothing available at our office. Families and volunteers are welcome to contact us directly to arrange a time to stop by and pick up what they need. Please spread the word!

PARENT TEACHER CONFERENCE SEASON

Many schools are scheduling parent-teacher conferences this time of year. These meetings are an opportunity for parents and caregivers to sit down with their child's teachers, learn how their child is doing academically and socially, discuss strengths and challenges, and ask questions.

Why is it important to attend? These conversations help families understand their children's progress, identify any difficulties early, and work together with teachers to support their success. You do not need to speak perfect English to participate! If you need an interpreter, contact your child's school ahead of time and ask for language assistance.
